HELLO!

WHAT YOU SHOULD KNOW ABOUT ME?

I'm Ninfa Niño. Web Developer. I have 31 años. I'm living in Zapopan. And want to work with you.

I'm Ninfa and I'm a graphic designer and web developer. I have developed my professional skills by working as web designer for almost 5 years now. I'm working in Thlink Marketing as web developer. Also, I'm currently taking a diploma in mobile applications and I'm already certificated on Appcelerator Studio.

PROFESSIONAL OBJECTIVES

My hit right now is to learn. I want to become a better designer and developer working with people who can push me to grow both professionally and personally.
